FOREWORD

Let fraud and wrong and baseness shiver,

For still between them and the sky

The Falcon Truth hangs poised forever

And marks them with his vengeful eye.

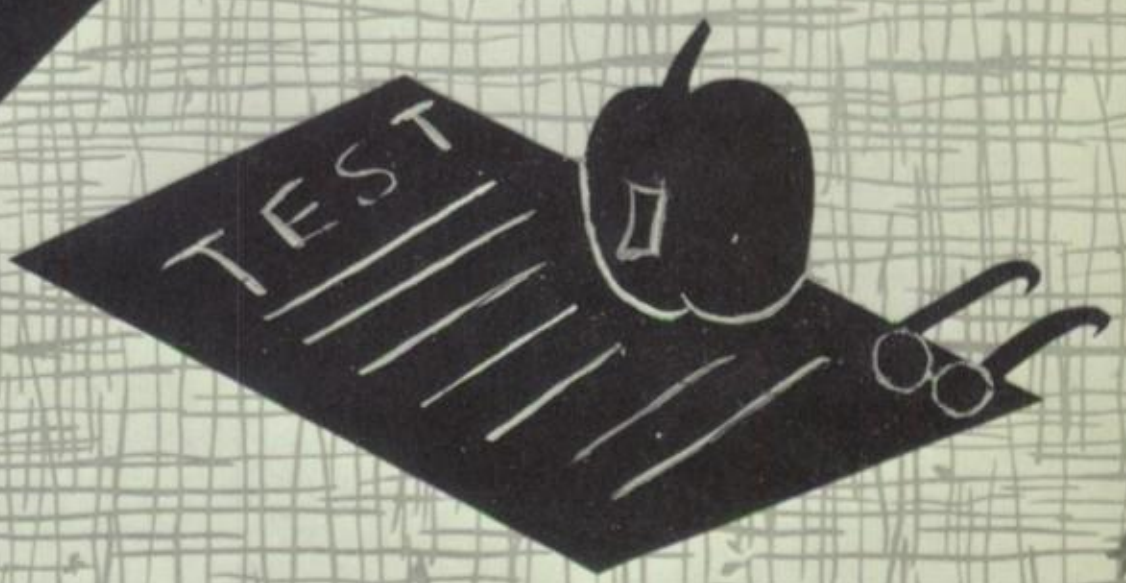
We, the nineteen fifty-nine annual staff of Firelands High School, dedicate the following pages of the Torch to Mr. Francis Miller, teacher, advisor, and gentleman. With it goes our thanks and appreciation for many hours and efforts he has devoted to the bettering of our school.

The senior members of the staff will especially remember Mr. Miller as a conscientious class advisor who has always looked out for our well-being and has aided us with many of our problems during our high-school days.

Faculty



SCHOOL BOARD

Art Blackwell; Fred Matheny, principal; James Ehrman, executive head; Mrs. Viola Lees, clerk; George Reinhard, president; Mrs. Martha Baumann; Paul Knott, vice-president; Willis Wasem.

To the school board we owe many thanks. Only through their co-operation in providing the schools and the faculties in our community, it has been possible for us to achieve the success of graduation.

EXECUTIVE HEAD

To Mr. Ehrman goes the responsibility of managing the affairs of the entire Firelands School District. With the help of James H. Ehrman, our school system has acquired the respect of educational institutions in the county and of the beyond.

His many duties keep him "on the go," and he certainly deserves the appreciation of the residents of the entire Firelands area.

PRINCIPAL

Fred R. Matheny

Mr. Matheny is a man whom we will always admire for his excellent leadership and the sound counselling which has made Firelands High School what it is today. We realize that his job is not an easy one, but we think he has filled his position as Principal admirably. He has shown the excellent quality that an ideal administrator needs.

SECRETARY

Mrs. Wilma Markworth

FIRELANDS HIGH

Firelands High has seen five senior classes pass through its doors since the school first opened its doors in the fall of 1954.

The physical make up of the school has constantly improved, thanks to the hard work of the people in the Firelands district who have diligently strived to attain something in which we can all take pride. Such additions as the large bulletin board in the main hall, a trampoline, landscaping of the yard, an excellent track and football field equipped with lights; along with special improvements to each particular department, have greatly helped to make our school days most happy ones.

Proof of Fireland's educational advances comes from the observation that it has turned out more college bound seniors each year. This trend toward higher education indicated a much greater interest in education than was previously in the area. With the attitude of the students toward scholarship and citizenship improving with the fervor that it has to date, the outlook toward a more productive and creative alumni appears bright indeed.

BOARD

CLOCKWISE: Mrs. Linder, advisor; Iris Jackson, vice-president; Karen Born, point chairman; Martha Hiscox; Janet Markworth, president; Lois Griffith, secretary; Roberta Breisch, treasurer; Sue Brandau, reporter; Karen Nabakowski.

Fun in sports and the pleasure of sociable meetings were the chief attractions of the G.A.A. this year. Under the fine leadership of Mrs. Linder, sports for all seasons were scheduled and enjoyed. The death of Mrs. Pearl Murphy is a great loss, not only to her family but to everyone who knew her.

Just about all the students at Firelands knew the late Mrs. Murphy, and what they knew they liked.

Mrs. Murphy was always ready with a pleasant comment or a bright smile and word for everyone.

All of her students thoroughly enjoyed their classes with her. Her classes were not only fun, but informative too.

As her students remember her, their memories are kind, happy and grateful.

Installation of Officers

Some of the high spots of the F.H.A. this year were the installation of officers, which was a formal affair, and a trip to Cleveland to see the Ice Follies.

Our advisor Mrs. Yuhas was not only an inspiring leader but proved to be a real friend to each and every F.H.A. member.

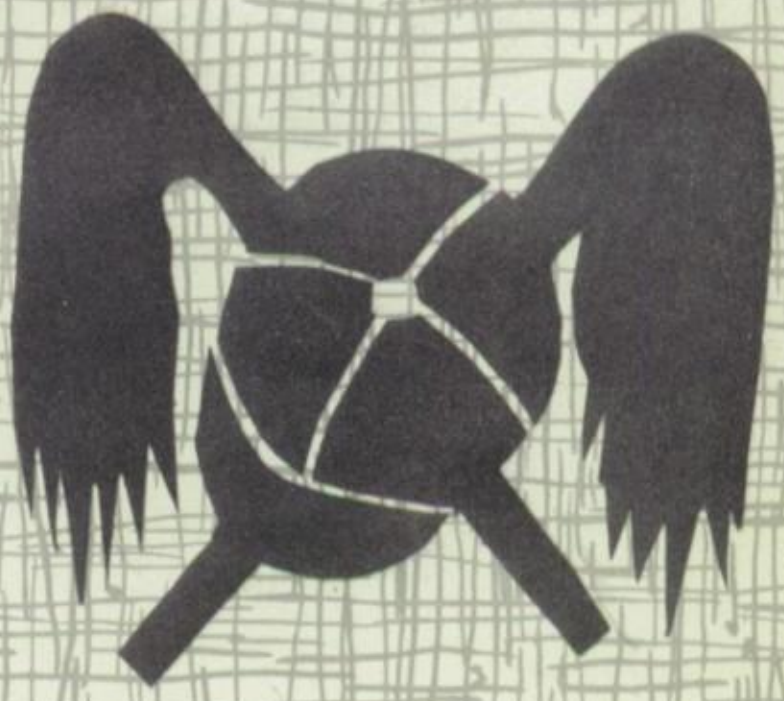
Athletics



This years Varsity squad went the entire season without tasting victory, yet it can't be said that they got nothing out of their efforts. They learned that it wasn't always how many games you won, but instead just how you yourself played the game. Surely the thrills of the many exciting times they had on the gridiron together will be ample reward for the team's and the coach's hard work.

SEASON SUMMARY

Although the boys' track team didn't post a very bright record, they did have an enjoyable season. Mr. Howe credits this year's squad with displaying a lot of hard work and desire.

Mrs. Linder and her girls' track squad appeared in two meets and did very well in both of them. The practice throughout the spring months payed off when the County Meet came around and the Firelands girls won a respectable second place.

"TO THE MEN BEHIND THE SCENES"

ON THESE TWO PAGES WE WANT TO ACKNOWLEDGE THE SO-CALLED "MEN BEHIND THE SCENES" IN SPORTS — THE GUYS WHO BACK UP THE FIRST STRING AND USUALLY HELP "WARM THE BENCHES" —

A TEAM CAN NOT BE A TEAM WITHOUT THESE MEN. WHAT GOOD WOULD IT BE TO HAVE JUST ELEVEN MEN ON A FOOTBALL TEAM OR NINE MEN ON A BASEBALL TEAM WITH NO ONE STANDING BY FOR SUBSTITUTION? THE HIGH-POINT MAN ON A BASKETBALL TEAM COULD NOT MAKE THE POINTS WITHOUT SOMEONE "FEEDING HIM THE BALL AND GUARDING HIS OPPONENT.

LAST BUT NOT LEAST, ARE THE MANAGERS; THEY ARE REALLY "BEHIND THE SCENES" CLEANING UP AND TAKING CARE OF THE EQUIPMENT.
